RE: Mirian Teresa MOLINA-Hernandez

CONTINUATION:

On May 29, 2019, Homeland Security Investigations Special Agents (HSI) interviewed MOLINA after it was discovered that MOLINA was using a fraudulent document to claim the relation to the juvenile and further their unlawful entry into the United States. Prior to being interviewed, MOLINA was read her Miranda Rights and chose to waive them.

MOLINA stated that in fact she is not the mother of the child and was transporting the child in order to successfully gain entry into the United States. MOLINA admitted that she previously obtained the child's fraudulent document to show her as the mother: MOLINA stated that she intended on transporting the child from Honduras to Dallas, Texas. MOLINA stated she knew the child was illegally in the United States and intended on using the fraudulent document to further the juvenile's illegal entry and presence in the United States.
